

A guide to completing homework at Plympton Academy

STEP 1

Check the homework calendar to see what subject(s) should be completed. This is on the school website, on ClassCharts and in your Semester Booklet.

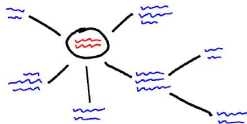

STEP 2

- a. Open your homework exercise book.
- b. At the top of a clean page, write today's date and the name of the subject.
- c. Underline both with a ruler.

STEP 3

Open your knowledge organiser booklet and turn to that subject. Pick one section of the KO and read it carefully. This will be the focus of your homework.

STEP 4

Choose one of the following tasks to complete:-

i. Write out 10-15 questions about the information.

Close the KO, write out the answers and then selfmark.

Write in the correct answers if necessary.

There is a video on the school website that shows you how to do this.

ii. Dual Code the information.

There is a video on the school website that shows you how to do this.

iii. Turn the information into a revision map.

iv. Produce a set of flashcards for the information.

(These should be tucked into your homework book)
Look at the Flash Card page in this booklet for help.

Your work should be completed neatly, in your best handwriting.

STEP 5

a. If you have more than one subject on your homework timetable, repeat stages 2 - 4.

b. Your tutor will check that your homework has been completed to the best of your ability during afternoon tutorial.

Your Maths teacher will explain to you how to complete the Maths Hegarty homework.
