**Principal: Ms Lisa Boorman**

*We are incredibly proud of our students. They were described by OFSTED in 2016 as 'courteous and friendly' students who 'conduct themselves well'. This was confirmed recently (March 2017) in a further external review by Challenge Partners who commended our students for their 'very high engagement', describing them as students who 'want to learn' and 'were resilient'. We are equally proud of our Academy; OFSTED judged the Academy to be 'Good in 2016 and it was acknowledged by Challenge Partners in 2017 that the Academy is now borderline 'Outstanding'. This is a reflection of the commitment, talent and growth of all members school community who continually strive to achieve the best. As a result, the Academy is thriving and undergoing a period of rapid growth as more students look to join our learning community.*
