Principal: Ms Lisa Boorman

We are incredibly proud of our students. They were described by OFSTED as 'courteous and friendly' young people who 'conduct themselves well'. This was confirmed recently (March 2017) in a further external review by Challenge Partners who commended our students for their 'very high engagement', describing them as students who 'want to learn' and 'were resilient'. This is a reflection of the commitment, talent and growth of all members of the academy community who continually strive to achieve the best.

Plympton Academy is seeking to appoint a:

Cover Supervisor

required ASAP, permanent, Grade D
27.5 hrs per week, 39 weeks per year

We require a proactive person to cover classes and support students to help their learning, whilst maintaining our high standards of behaviour. The ability to engage with students and act as a role model is essential. Good communication and ICT skills are essential.

The main purpose of the job is to deliver preset work in the absence of the teacher normally responsible for teaching a particular class, by utilising pre-prepared exercises and where no cover duties are required, to undertake activities to assist teachers in the delivery of the curriculum.
