We are incredibly proud of our students. They were described by OFSTED in 2016 as 'courteous and friendly' students who 'conduct themselves well'. This was confirmed recently (March 2017) in a further external review by Challenge Partners who commended our students for their 'very high engagement', describing them as students who 'want to learn' and 'were resilient'. This is a reflection of the commitment, talent and growth of all members school community who continually strive to achieve the best.
