Principal: Ms Lisa Boorman

We are incredibly proud of our students. They were described by OFSTED as 'courteous and friendly' young people who 'conduct themselves well'. This was confirmed recently (March 2017) in a further external review by Challenge Partners who commended our students for their 'very high engagement', describing them as students who 'want to learn' and 'were resilient'. This is a reflection of the commitment, talent and growth of all members of the academy community who continually strive to achieve the best.
