**Principal: Ms Lisa Boorman**

*We are incredibly proud of our students. They were described by OFSTED as 'courteous and friendly' students who 'conduct themselves well'. This was confirmed recently (March 2017) in a further external review by Challenge Partners who commended our students for their 'very high engagement', describing them as students who 'want to learn' and 'were resilient'. We are equally proud of our Academy; OFSTED judged the Academy to be 'Good in 2016 and it was acknowledged by Challenge Partners in 2017 that the Academy is now borderline 'Outstanding'. This is a reflection of the commitment, talent and growth of all members school community who continually strive to achieve the best.*

We are looking to appoint the following:

**Temporary Teacher of PE  
required Sept 2018 (MPS/UPS), full-time, 1 year contract**

We are currently looking for an exceptional **Physical Education (PE) Teacher** who is committed to driving up standards and ensuring every child is challenged to achieve their maximum potential. You will be joining an Academy that has a strong, developing reputation for PE and sports and has had considerable investment in sporting facilities recently, to include a 3G pitch and Multi-Use Games Area. This is in addition to the Academy being selected to deliver the city Table Tennis strategy through the development of the Plymouth East Hub site. With a dynamic and progressive curriculum at the heart of everything we do, we have very high levels of participation in a range of sports and activities alongside a strong extra-curricular provision.

We are looking for someone who will add to our strong team and contribute to the high standards of PE.

The successful candidate will be able to motivate and inspire all students, particularly girls, within the Academy and have a proven track record of success with examination PE groups at both KS4 and 5.
