Use of bursary funds

Please complete the appropriate boxes to indicate estimated costs needed to support your studies. You may be asked to provide evidence of this at some point in the year.

NOTE: Late applications will only be backdated to the beginning of the term in which the application is submitted to the LA.

For completion by the Head of Post 16

Please hand form and all relevant evidence (if appropriate) to your Head of Post 16/Sixth form office.

Payment arrangements

- Once your Head of Post 16 signs the form this will be sent to the Local Authority for processing
- When you return to School in September you will receive confirmation from the LA detailing your bursary payment amounts. In previous years we have been able to increase Category 3 payments after Christmas, if we have the ability to do this in 2017/2018 we will let you know via the school's Head of Post 16.
- Your bursary will then be paid directly in to your bank account over 10 payments providing you continue to meet your School's/Academy's attendance and behavioural policy
- If you do not meet the attendance and behavioural policy your School/Academy will notify you of this and you will not receive that month's bursary. Any appeals will need to be made directly to your School/Academy
- If you do not receive a bursary payment as indicated in the timetable contained in your approval letter please contact your Head of Post 16

Change of School/Academy

- If you move to another School/Academy within the collaborative scheme you will not need to fill out another application form, you will need to notify your new School/Academy and they will notify the LA to confirm the transfer. Your old School/Academy will also notify the LA that you have left that School/Academy.
- If you transfer to a School/Academy outside of the Plymouth collaborative scheme, or transfer to an FE College, you will no longer receive the bursary and your School/Academy will notify the LA that you no longer attend their Sixth form. You will need to discuss arrangements with your new School/Academy or FE College regarding any scheme it may operate.
- If you transfer from a School/Academy outside of Plymouth to one within Plymouth you will need to fill out an application and also confirm that you no longer are in receipt of a bursary from another institution.

If your circumstances change during the year please contact your Head of Post 16 to discuss how this affects your eligibility for the bursary.
